Background

HHSC is responsible for the reimbursement determination functions for the Texas Medicaid Program. The approved rates were calculated utilizing established methodologies that conform to the Social Security Act and related federal regulations, the federally approved Texas Medicaid State Plan, all applicable state statutes and rules, and other requirements. HHSC reviews the Medicaid reimbursement rates for all acute care services every two years. These biennial reviews result in rates that are increased, decreased, or remain the same. The reviews are conducted to ensure that rates continue to be based on established rate methodologies.

Methodology

The specific administrative rules that govern the establishment of the fees in this proposal include these rules in the TAC:

- §355.8021, which addresses the reimbursement methodology for home health services;
- §355.8023, which addresses the reimbursement methodology for durable medical equipment, prosthetics, orthotics, and supplies (DMEPOS);
- §355.8085, which addresses the reimbursement methodology for physicians and other practitioners; and §355.8097, which addresses the reimbursement methodology for therapy services;
- §355.8097, which addresses the reimbursement methodology for therapy services; and
- §355.8441, which addresses the reimbursement methodology for Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) services.

Legislative Direction for Proposed Rate Adjustments:

The 2019-20 General Appropriations Act, H.B. 1, 86th Legislature, Regular Session, 2019 [Article II, HHSC, Rider 45] directed the Health and Human Services Commission (HHSC) to increase reimbursement rates for Personal Care Services to provide a base wage of personal attendants to \$8.11 effective September 1, 2019.

The 2019-20 General Appropriations Act, H.B. 1, 86th Legislature, Regular Session, 2019 [Article II, HHSC, Rider 46] directed the Health and Human Services Commission (HHSC) to increase reimbursement rates for Private Duty Nursing by 2.5 percent effective September 1, 2019.

The 2019-20 General Appropriations Act, H.B. 1, 86th Legislature, Regular Session, 2019 [Article II, HHSC, Rider 47] directed the Health and Human Services Commission (HHSC) to make the following increases to the reimbursement for physical, occupational, and speech therapies: (1) increase the reimbursement for therapy assistants to 80 percent of the reimbursement paid to a licensed therapist; and (2) a 10 percent increase to reimbursement for physical, occupational, and speech therapies provided in the home to children. Both of these rate increases will be effective September 1, 2019.
