Background

HHSC is responsible for the reimbursement determination functions for the Texas Medicaid Program. Proposed rates are calculated utilizing established methodologies that conform to the Social Security Act and related federal regulations, the federally approved Texas Medicaid State Plan, all applicable state statutes and rules, and other requirements.

The adjustments to Standard Dollar Amounts for Inpatient Hospital Services are proposed to comply with the 2020-21 General Appropriations Act (Article II, H.B. 1, 86th Legislature, Regular Session, 2019, Rider 11 and Rider 28), which allocates certain funds appropriated to HHSC to provide increased inpatient reimbursement for rural hospitals. In addition, the adjustments are proposed to comply with Senate Bill 500 (S.B. 500), which appropriates \$50 million in general revenue funds for rate increases to Children's Hospitals.

The current Standard Dollar Amounts (SDAs) for rural hospitals have been in effect since September 1, 2013. Subsection (d) in Rider 11 directs HHSC to

increase inpatient rates by trending forward to 2020 using an inflationary factor. HHSC proposes to inflate the current SDAs using the Centers for Medicare and Medicaid Services Prospective Payment System Hospital Market Basket inflation factors. Applying these inflation factors will result in a 17.68 percent increase in the inpatient rate of each rural hospital for SFY 2020.

Subsection (e) in Rider 11 directs HHSC to provide increases to inpatient rates in addition to those identified in subsection (d), using a specific amount of appropriated funding. HHSC proposes to increase the inflated rates an additional 6.256%. The combination of these two increases will result in new Final SDAs for rural hospitals.

Rider 28 directs HHSC to provide a Medicaid add-on payment for labor and delivery services provided by rural hospitals. HHSC proposes an alternate SDA for inpatient stays related to labor and delivery in rural hospitals, which will be equal to the new Final SDA plus an SDA add-on sufficient to increase payment for each claim by no less than \$500 per claim.

To comply with Senate Bill 500, HHSC proposes to create a new SDA Add-on for children's hospitals called the Children's Hospital Supplemental add-on. This new SDA Add-on will be effective for inpatient hospital discharges occurring after August 31, 2019 and before September 1, 2020, for hospitals that meet the definition of a children's hospital in Section 355.8052 of the Texas Administrative Code (TAC).

- The amount of the Children's Hospital Supplemental add-on will be \$1122.18.

Methodology

The specific administrative rule that governs the establishment of the SDA's in this proposal are in the TAC at:

- §355.8052, which addresses the reimbursement methodology for inpatient hospital services.

Specific proposed Final SDA's for rural hospitals are listed in the attachments outlined below:

Attachment 1 – Rural Hospital Standard Dollar Amounts

Specific proposed Final SDA's for children's hospitals are not available at this

time. Children's hospitals may be eligible for the Safety-Net Add-on, which must be recalculated annually upon completion of the SDA Add-on verification process. This process will be completed in August 2019.

Written comments regarding the proposed payment rate adjustments will be accepted in lieu of, or in addition to, oral testimony until 5 p.m. the day of the hearing. Written comments may be sent by U.S. mail to the Texas Health and Human Services Commission, Attention: Rate Analysis, Mail Code H-400, P.O. Box 149030, Austin, Texas 78714-9030; by fax to Rate Analysis at (512) 730-7475; or by e-mail to RADAcuteCare@hhsc.state.tx.us. In addition, written comments will be accepted by overnight mail or hand delivery to Texas Health and Human Services Commission, Attention: Rate Analysis, Mail Code H-400, Brown-Heatly Building, 4900 North Lamar, Austin, Texas 78751.

Persons with disabilities who wish to attend the hearing and require auxiliary aids or services were advised to contact Rate Analysis at (512) 730-7401 at least 72 hours in advance, so appropriate arrangements could be made.

This public rate hearing briefing packet presents proposed payment rates and is distributed at HHSC public rate hearings and posted by the proposed effective date on the HHSC website at <http://rad.hhs.texas.gov/rate-packets>. Proposed rates may or may not be adopted, depending on HHSC management decisions after review of public comments and additional information. Provider and public notification about adoption decisions are published on the Texas Medicaid and Healthcare Partnership (TMHP) website at <http://www.tmhp.com> in banner messages, bulletins, notices, and updates to the Texas Medicaid fee schedules.
