Mandatory Annual MAC Financial Training for Federal Fiscal Year 2011

Texas Medicaid Administrative Claiming (MAC) program provides State affiliated public agencies the opportunity to submit reimbursement claims for administrative activities that support the direct service Medicaid program. In order to receive this reimbursement, public entities participating in MAC are required to attend an annual MAC financial training. HHSC recommends that each public entity have no less than two individuals trained on MAC Financials to guard against problems that could occur due to employee turnover. Staff assisting in the preparation of the MAC financial claiming process for Federal Fiscal Year (FFY) 2011 is required to attend one of the following training sessions. At this time all MAC financial training sessions will be “Initial Trainings.” “Refresher Training” will not be offered for FFY 2011.

The first annual MAC Financial Training scheduled for **FFY 2011** (October 2010 to September 2011) will take place on January 18, 2011. Attending any of the training sessions listed below will meet the mandatory MAC financial training requirement for FFY 2011.

IMPORTANT: Please note that in order to ensure that your first quarter claim is submitted and reimbursed in a timely manner; public entities must attend either the January 18th or February 15th MAC financial training session. Until such time that a MAC Financial Contact attends the required training, they will have VIEW-ONLY access and will not be able to enter cost or certify financial information.
