## Foster Care Rates Methodology Study

The Health and Human Services Commission (HHSC), in consultation with the Department of Family and Protective Services (DFPS), has contracted with a third-party vendor, Public Consulting Group, Inc. (PCG), to evaluate the methodology for foster care rates, pursuant to Special Provision 32 of the 2020-21 General Appropriations Act, House Bill 1, 86th Legislature, Regular Session, 2019 (Article II, Health and Human Services Commission).

The evaluation of the foster care rate methodology will include an opportunity for stakeholder engagement including stakeholder sessions. More information will be provided in the upcoming months. If you have specific questions regarding this study, please [email PCG](#).
