NOTE:
Vacant Positions that will not be filled during the quarter should not be included on a district’s participant list.

Providers who are members of a cooperative or shared services arrangement MUST submit separate SHARS cost reports, which means each ISD must have a district specific RMTS participant list that includes “contracted staff” employed by the fiscal agent and district employees for which costs will be claimed.
RELATIONSHIP OF RMTS TO COST REPORT

PARTICIPANT LIST = ALLOWABLE SALARY COSTS

RMTS non-compliance is grounds for recoupment of federal funds received during the FFYs in which the default occurs.

• Positions on the RMTS Participant List (PL) are the only positions for which costs may be reported on the SHARS Cost Report.

• Costs for staff on the PL that did not perform direct services should not be claimed on the cost report.
