Independent School Districts
Random Moment Time Study
What is Random Moment Time Study (RMTS)?

- A valid random sampling technique that measures the participant’s time performing work activities.

- The “Moment” represents one minute of time that is randomly selected from all available moments within the quarter.

- Statewide time study sample
  Regardless of the district the time study participant is located, once the moment has occurred, please logon to STAIRS and respond to the series of questions documenting the activity being performed and the name of the district.

3. HHSC Contractor randomly matches moments and participants
4. RMTS Contact ensures selected participants are trained
5. Participant responds to selected moment by answering moment online
6. HHSC Contractor codes moment
Requirements - Training

• Each RMTS Contact must complete HHSC training annually
• RMTS contacts are required to complete only one HHS annual initial training and then are eligible to take “refresher” trainings.
• Initial training must be interactive and therefore must be conducted via Face-to-Face, Webinar, Skype or Teleconference
• Refresher training may be conducted via CD's, videos, web-based and self-paced training
• HHSC recommends that all participating ISD’s have at least  2 employees attend mandatory RMTS Contact training
• Trained RMTS contacts are responsible for training Time Study (TS) participants annually
• MAC Financial Contact training and SHARS Financial Contact training are mandatory and held separately
Requirements for RMTS

PL - Development

• At the beginning of each quarter only the trained RMTS Contact provides in STAIRS a comprehensive list of staff eligible to participate in the RMTS.

• Once PL is closed you cannot add/delete a participant nor change position/function category.

• No changes can be made after the 3rd quarter PL closes until next FFY PL opens, unless you attend an early May training which gains you access to PL mid-May.
PL - Development

An accurate PL is a critical part for ensuring eligibility for MAC and/or SHARS

If an ISD does not update/certify its PL by the deadline:
They are ineligible to submit a MAC claim for that quarter
They are ineligible for SHARS reimbursement for the entire FFY 2020

• Every time the PL is updated, it is also certified.
  The RMTS Contact must open the PL and click the “certify the PL” button prior to the deadline, even if there are no changes to the participant list from the previous quarter.

• Reminder e-mails will be sent only to those ISDs that have not certified their PL.

• The PL provides a basis to identify the positions that may be included in the MAC claim and SHARS cost report
