Random Moment Time Study
The Agenda

Random Moment Time Study (RMTS) will include:

• RMTS Overview
• RMTS Requirements
• Contacts – Roles and Responsibilities
• Participant List
• Moment Selection
• Moment Response
• System Demonstration
• Polling Questions
• School Health and Related Services (SHARS) Cost Reporting Overview
• Medicaid Administrative Claiming (MAC) Overview
• Wrap up
What is Random Moment Time Study (RMTS)?

- A valid random sampling technique that measures the participant’s time performing work activities.

- The “Moment” represents one minute of time that is randomly selected from all available moments within the quarter.

- Statewide time study sample

  Regardless of the district the time study participant is located, once the moment has occurred, please logon to STAIRS and respond to the series of questions documenting the activity being performed and the name of the district.
Overview - Purpose of RMTS

• To determine the percentage of time the ISD incurs assisting individuals to access medically necessary Medicaid funded services

  Direct Medical Services - SHARS
  Medicaid Outreach
  Medicaid Eligibility Determination
  Medicaid Referral, Coordination, and Monitoring
  Medicaid Staff Training
  Medicaid Transportation
  Medicaid Translation
  Medicaid Program Planning, Development & Interagency Coordination
  Medicaid Provider Relations

• To Reasonably identify staff time spent on activities during the given quarter.
Overview - Time Study Activities

- Direct Medical – Providing care, treatment and/or counseling
- Outreach – Informing students, families and groups about available services
- Eligibility – Assisting students or families with the Medicaid eligibility process
- Referral, Coordination, and Monitoring – Making referrals, coordinating and/or monitoring activities on a student’s IEP
- Staff Training – Coordinating, conducting or participating in training pertaining to medical or Medicaid services
- Translation – Arranging or providing translation to a student or family to access medical or Medicaid services
- Transportation – (Exclude bus drivers) aides and monitors accompanying students in need of personal care services or arranging transportation to medical services
- Program Planning, Development & Interagency Coordination – Developing strategies to improve the coordination and delivery of medical or Medicaid services
- Provider Relations – Activities to secure and maintain Medicaid providers
Overview - RMTS Process

1. HHSC Contractor identifies pool of available time study moments
2. RMTS Contact identifies pool of time study participants
3. HHSC Contractor randomly matches moments and participants
4. RMTS Contact ensures selected participants are trained
5. Participant responds to selected moment by answering moment online
6. HHSC Contractor codes moment
Requirements for RMTS

In order to participate, you must...

- **Time Study Periods (Federal Fiscal Quarters)**
  - 1st Quarter - October, November, December
  - 2nd Quarter - January, February, March
  - 3rd Quarter - April, May, June
  - 4th Quarter – No Time Study conducted

- For SHARS - An active Texas Provider Identifier (TPI) number from TMHP is required.
- For MAC - A valid HCAT number from HHSC is required.
- Participant List (PL) must be certified for ISD to participate in the random moment time study (RMTS).
- To be included on the MAC claim and/or SHARS cost report position must be included on the PL.
- A statewide response rate of 85% for RMTS moments is required.
- Mandatory annual training for RMTS Contact and participants is required.

Requirements - Training

- Each RMTS Contact must complete HHSC training annually
- RMTS contacts are required to complete only one HHS annual initial training and then are eligible to take “refresher” trainings.
- Initial training must be interactive and therefore must be conducted via Face-to-Face, Webinar, Skype or Teleconference
- Refresher training may be conducted via CD's, videos, web-based and self-paced training
- HHSC recommends that all participating ISD’s have at least 2 employees attend mandatory RMTS Contact training
- Trained RMTS contacts are responsible for training Time Study (TS) participants annually
- MAC Financial Contact training and SHARS Financial Contact training are mandatory and held separately
Requirements - Training

    - Central Coding Staff
Superintendent

- **Is no longer** included on the participant list in any job category including PCS
- **Must be** designated as a contact in STAIRS. Username and password will be provided via E-mail
- **Has the ability to add** “Primary” RMTS contact

  *Primary RMTS Contact can add Secondary Contacts*

  **When a Primary or Secondary RMTS contact is added, it automatically generates an e-mail containing their username and password**
RMTS Contact

• Must be an employee of ISD or its designee
  Primary RMTS Contact must be an employee of ISD
  ISD assumes all responsibility for designee’s actions/non-actions

• Ensure all contact information is current and accurate
• Must attend annual training provided by HHSC
• Verify and update quarterly Participant List
• Provides RMTS training to sampled participants
• Provides ongoing technical assistance to participants
• Ensure ISD compliance with 85% required response rate
  Receives weekly list of participants that did not respond to their moments (document reason for missed moments)
• Contact can enter paid and unpaid time off for the selected participants when they are unavailable
• Time study participants who are absent at the time of their selected moment but will return within 5 business days, should complete the moment.

• The RMTS Contact will need to respond to the moment as “paid or unpaid” leave if the participant will not return within 5 business days.

• If a position is Vacant, the RMTS Contact should respond to the moment as “unpaid” leave. If a position has been filled, the selected moment should be forwarded to the new employee for response.

• If the position is filled after the 3 day notification has been e-mailed to the vacant position or the employee previously in that position, the new employee will have to use the username and password provided on the 3 day notification
Time Study Participant

Time Study Participant must:

- Must answer the following to document the sampled moment:
  - Who was with you?
  - What were you doing?
  - Why were you performing activity?
- Must attend annual training provided by trained RMTS Contact
- Participant notified of moment 3 days in advance
- Enter response within 5 business days of moment
- Reminders sent to participants via e-mail at 24, 48, & 72 hrs.
  - Primary RMTS Contact copied on the 72 hour reminder
- Failure to enter the information will disqualify the moment
- Respond to follow-up questions from coders within 3 business days from receipt of e-mail.
  - Primary RMTS Contact will be copied on the e-mail
HHSC – Time Study Unit

- Provides RMTS support and guidance
- Provides training to RMTS Contacts
- Provides training to Central Coders
- Works with appropriate federal agencies to design and implement programs
- Conducts ongoing program review to include:
  - Time Study results
  - Compliance with training requirements
  - Documentation compliance
- Sends out the non-compliance notification letters
Fairbanks, LLC.

Central Coders

- Receives training from HHSC on activity codes
- Review the participant’s response for the sampled moment
- Assigns activity code using uniform time study codes
- When additional information is needed they must obtain clarifying information from time study participants via follow-up e-mail within 3 business days of request.
- Moments and assigned codes are reviewed by a 2nd and 3rd coder for agreement and quality assurance
Fairbanks, LLC. (con’t)

Technical Support

• Contracted by HHSC to operate and administer the web-based RMTS system
• Assist in annual training for RMTS Contacts
• Ongoing system support
• Send e-mail notification to selected participant 3 days prior to the sampled moment
• Send reminder e-mails for non-response to the sampled moment
Polling Question

1. If a participant fails to respond to their moment within the 5 business days the RMTS must:

A. Document reason the moment was missed in Fairbanks system
B. Report the incident to the participant’s supervisor
C. Remove the participant from the PL and exclude from TS
D. All of the above
Participant List

• Development
• Certification
• Who’s In
• Drop Down Options
• System Demonstration
PL - Development

- At the beginning of each quarter only the trained RMTS Contact provides in STAIRS a comprehensive list of staff eligible to participate in the RMTS.
- Once PL is closed you cannot add/delete a participant nor change position/function category.
- No changes can be made after the 3rd quarter PL closes until next FFY PL opens, unless you attend an early May training which gains you access to PL mid-May.
An accurate PL is a critical part for ensuring eligibility for MAC and/or SHARS

If an ISD does not update/certify its PL by the deadline:
- They are ineligible to submit a MAC claim for that quarter
- They are ineligible for SHARS reimbursement for the entire FFY 2020

• Every time the PL is updated, it is also certified.
  - The RMTS Contact must open the PL and click the “certify the PL” button prior to the deadline, even if there are no changes to the participant list from the previous quarter.

• Reminder e-mails will be sent only to those ISDs that have not certified their PL.

• The PL provides a basis to identify the positions that may be included in the MAC claim and SHARS cost report.
Staff chosen to participate in RMTS will be categorized in one of two staff pools in Fairbanks as:

- Administrative Services (MAC only)
  
  Only includes staff who perform administrative activities associated with Medicaid.

- Direct Service Administrative
  
  Eligible staff providing direct medical services and administrative activities associated with Medicaid.

Administrative staff such as executive directors, program directors, principals, assistant principals, special education directors, and other managers/supervisory staff are not to be included in the time study.
Vacant Positions

Inconsistent implementation from year to year and district to district

• Only the vacant position(s) the district anticipates filling during the quarter should be included on the PL
• Should be reviewed and edited each quarter before the PL closes
• Loading the PL with vacant positions limits the opportunity for the selected moment to be a reimbursable response
• RMTS Contact responds to the moment as paid/unpaid leave
• Excess ultimately lowers the RMTS percentage across the State
Duplicate Positions - What To Do???

• Identify and Remove from PL
• If more than one job function is performed by the participant, only include it once on the PL in the category/function performed majority of the time.
• Email(s) will be sent to those districts identified as having possible duplicate entries.
• HHSC trained RMTS Contact will be responsible for removing duplicate entries prior to the PL close date.

To remove duplicates from the PL do the following:

Export your PL to Excel. Choose the column of data (e.g. address, external ID) that may have duplicates. Highlight that column and choose the “conditional formatting” option. You’ll see an option there to “highlight duplicate values”

It’s easy to identify and remove any duplicates.
Participant List includes:

• Staff who perform SHARS or Direct Medical Services or MAC activities:
  Regular duties on a weekly basis
  Regular Staff
  Federally funded employees

• Contractors (including all positions) who are not employees of ISD but provide services for ISD.
  For one position being filled by multiple contractors, it should be listed as one position on PL
  For multiple positions filled by one or more contractors, then each position should be listed on PL.

• Vacant positions that are anticipated to be filled (with reasonably certainty) during the quarter.
PL - Category Clarification

PL categories with mixed job functions and titles:

• Personal Care Service Provider
• Delegated Nursing
• Service Coordinator/Case Manager
• Outreach Worker
• Behavioral Counselor

Note: These categories must include the functional (or working) job title on the PL
PL - Category Clarification

Who is NOT eligible for SHARS:

• SBEC Certified or TEA Certified School Counselor and Educational Diagnostician job titles (unless perform PCS and/or on PL for MAC if school participates in MAC.

Note: SBEC Certified or TEA Certified School Counselors and Educational Diagnosticians still have to qualify under the Admin Cost Pool eligible category by performing Medicaid allowable activities to be included in the RMTS

A. True
B. False

2. If Mr. Lopez a PCSP resigned and Ms. Cortez has taken his place you should update the participant list by replacing Mr. Lopez name with Ms. Cortez since they are both PCSP?

A. True
B. False
Polling Question

3. Which of the following IS NOT a requirement for Random Moment Time Study participation?

A. Certify the Participant List (PL) for each quarter
B. Have an “active” Texas Provider Identifier (TPI)
C. To meet the mandatory training requirements quarterly
D. Maintain the 85% response rate for moments
Educational or Direct Medical

**Educational Services include:**

- Reading/English/Language Arts
- Writing
- Mathematics
- Science
- Social studies
- Physical education
- Electives
Educational or Direct Medical

Direct Medical Services are:

• Medical Services that require a licensed skilled, trained professional, such as:
  Nursing
  Psychology
  Counseling
  OT, PT, Speech,
  Evaluations

• Personal Care Services

Activities of Daily Living (ADL) or Instrumental Activities of Daily Living (IADL) that require human intervention to accomplish the task the student would normally do for themselves if they did not have a disability or chronic medical condition, i.e., hands on assistance, monitoring, cueing, redirection.
Personal Care Services

To ensure Personal Care Services are being documented correctly, a list of follow-up questions will be asked.

• The RMTS Contact is responsible for training the time study participants as it pertains to personal care services, such as:

• A personal care service is a direct medical service

• A student receiving a personal care service should have an IEP that lists the specific activity and personal care service needed

• When responding to a time study moment, PCS Providers’ response should be restricted to the one minute in time. **DO NOT** list multiple activities or their job description/responsibilities

• A response should always include the specific human intervention (cueing, monitoring, etc.) for the ADL being provided

• When responding to a time study moment if the “Why” states “to provide a direct medical service as defined on a student IEP”, then the “What” should clearly define the personal care service

• In situations where lesson planning is being done, please indicate the specific student audience and if it is IEP related.
Personal Care Services

- Personal care services (PCS) are provided to assist a student with a disability or chronic health condition so they may benefit from school/educational services.

- Personal care services include a range of human assistance provided to students to accomplish ADLs or IADLs the student would normally do for themselves if they did not have a disability.

  A student may be physically capable of eating lunch but is unable to independently eat in the cafeteria because of functional, cognitive, or behavioral impairments.

- PCS may be provided by a wide range of school personnel:
  - Teacher Aides
  - Bus Aides/Monitors
  - Health Care Aides
  - Orientation/Mobility Specialists
  - Instructional Aides
  - Teachers
  - Bilingual Aides
  - Clerks
Personal Care Services

Included but are not limited to:

- Eating/feeding
- Meal preparation
- Personal hygiene
- Toileting
- Maintaining continence
- Dressing
- Grooming
- Transferring
- Monitoring
- Redirection
- Cueing
- Positioning
- Ambulation
- Intervening with behaviors
- Respiratory assistance
- Assisting with self administering medication
Personal Care Services

PCS are often provided in Life Skills/Self-Contained classrooms because:

- The Life Skills class consists of students with Moderate to Severe disabilities, showing limitations in communication, social skills and activities of daily living (ADL)
- The course curriculum is driven by the student’s needs as stated in each student’s IEP
- These classes may have different skill areas addressed based on student needs, such as:
  - Domestic skills
  - Daily living skills
  - Pre-vocational skills
  - Vocational skills
  - Social skills
Educational vs. Direct Medical/PCS

- A teacher helping a student solve a math problem that they are having difficulty understanding.
- A PCSP is assisting a student solve a math problem by providing hand over hand assistance operating a calculator.
- A teacher demonstrating sounding out words during a reading lesson.
- A Speech Therapist is working with a student on an articulation exercise.
- A teacher in an inclusion class is teaching a Social Studies lesson.
- A teacher’s aide is monitoring and cueing students in an inclusion class during a Social Studies lesson to stay seated.
Educational vs. Direct Medical/PCS

A Licensed Specialist in School Psychology providing academic counseling to a student.

A Licensed Specialist in School Psychology providing cognitive behavioral therapy to a student as part of their defined BIP.

A Nurse teaching students in a health class the benefits of proper hand washing.

A Delegated Nurse assisting a diabetic student in washing their hands prior to checking their blood sugar per the IEP.

A PCSP in the cafeteria monitoring all students.

A PCSP in the cafeteria cueing a student to swallow between bites during lunch.
What is Monitoring???

Monitoring is a Direct Medical Service when:

• The student just received medication as indicated on his/her IEP. The participant is monitoring the student for a reaction.
  
  This activity is a delegated nursing service

• Student’s IEP requires that he/she receive continuous monitoring due to a behavior problem.
  
  This activity is a personal care service (PCS)

Monitoring is an Educational Service when:

• General monitoring of students in a cafeteria to ensure all students’ behaviors are in accordance with school policy.
  
  This activity is general supervision of students

Email Messages

• Types of Communication managed predominantly via e-mail, i.e.:
  • RMTS moment notifications and follow ups
  • Participant list updates
  • Compliance follow-ups
  • MAC Financial notifications and follow-ups
• Role in Fairbanks dictates what messages you receive
• It’s critical that your district authorize your e-mail system to accept emails from Fairbanks.
• Confirm with your IT staff to make sure that e-mails with info@fairbanksllc.com, and @hhsc.state.tx.us extensions pass through firewalls and spam filters.
Helpful Hints

Passwords

Passwords will not change

If you forget your password, you can reset it at the log-in screen

Manage Contacts

Delete contacts if they are no longer with your district

Do not back space and type over the name

To add a contact in system use the “Add a new contact”

Username & Password will be e-mailed

The primary contact can change primary status from themselves to a secondary. A secondary contact cannot change primary contact status

There can be only one Primary contact for each role (RMTS, MAC and SHARS)

There is no limit to the number of secondary contacts

For system questions contact Fairbanks support line: (888) 321-1225
WRAP UP

• If you are not listed in the Fairbanks system as a Contact then you cannot receive credit for completing this training until you have been added by the Primary RMTS contact or Superintendent

• There are NO certificates for training:

• You will receive an email thanking you for attending today’s training, however this does not mean that you will receive training credit.

• RMTS Contacts can view attendance information via Fairbanks by clicking the "Training" tab on the top far right portion of the screen

• A maximum of 9 days processing time is required after attending training before the session attended will be listed next to the RMTS Contact's name and the "status" column will then show full access

• Once “Full Access” is indicated you will be able to update/certify the participant list

• You can print this screen using the printer icon located on the top right corner of the screen for your records
